SAFETY INSTRUCTIONS

FOR ALL QUESTIONS RELATED TO SAFETY, WARRANTY OR EXCHANGE REQUESTS, PLEASE CONTACT US.

1-800-255-6061

YOUR SAFETY IS IMPORTANT TO US.

Please read instructions carefully and utilize the proper precautions before operating this equipment. Save instructions for future reference.

- When used correctly, lithium-ion rechargeable batteries provide a safe and dependable source of portable power. However, if they are misused or abused, this may result in leakage, burns, fire, or explosion, causing personal injury or damage to other devices.
- Misusing or incorrectly connecting your power bank may cause electric shock to users and damage equipment.
- Keep your power bank dry and away from moisture, water, and corrosive materials.
- Do not expose your power bank to moisture, water, rain, or snow.
- Keep your power bank away from heat sources, including open flames, radiators, stoves, ovens, and any other devices that produce heat.
- Do not expose to fire or excessive temperature. Do not expose to heat above 212°F (100°C) or incinerate.
- In the unlikely event of leakage or explosion use sand or a chemical fire extinguisher.
- Your power bank may become warm under extended high power operation. Do not cover, wrap, or otherwise restrict air flow around the power bank during operation.
- Do not disassemble your power bank. There are no user-serviceable parts inside. Incorrect reassembly may result in shock or fire hazard.
- Do not drop or subject to strong impacts. Do not operate your power bank if it has received a sharp blow, or has otherwise been damaged in any way.
- Do not puncture, crush, or subject to mechanical shock.
- Keep away from children and pets. The power bank, along with its accessories are not toys.
- Make sure the power bank's charging ports do not become contaminated with lint or other debris. Use a canned-air type of product periodically to ensure that the port openings are clear.

WARNING

IF THE PRODUCT OVERHEATS, BECOMES SWOLLEN, OR IS DEFORMED IN ANY WAY, IMMEDIATELY STOP USING AND CONTACT CUSTOMER SERVICE.

OVERVIEW

- NEBO 5K POWER BANK
- USB-C to USB-C Cable
- USB-C to USB-A Adapter

- 1 | USB Power ON/OFF Button
2 | LED Power Level Indicators
3 | Dual USB-A Output Ports
4 | USB-C Bi-directional Port

- 5 | USB Micro Charging Input
6 | USB-C to USB-C Cable
7 | USB-C to USB-A Adapter

OPERATING INSTRUCTIONS

CHARGING YOUR 5K POWER BANK

IMPORTANT: Before using your product for the first time, fully charge it.

The product can be charged using either the USB Micro input port, or the USB-C bi-directional port. The total charge time is 2 to 3 hours.

NOTE:

- While charging, the LED indicators will illuminate indicating the charge percentage.
- When fully charged, disconnect the charging cable.
